

# COVID-19 SAFETY MEASURES

To contain the spread of the coronavirus, we've taken high safety measures at our Dream Smiles Dental Clinic. We've maintained strict covid safety protocols to avoid virus transmission and its impact on our dental care services.

Here are the COVID-19 safety protocols that we follow at our Dream Smiles Dental clinic:

## YOUR SAFETY, OUR PRIORITY

- To contain the spread & ensure the safety of our patients, medical staff, and visitors, we follow all the safety precautions set by **the World Health Organisation**.

## WHAT DO WE ASK FROM YOU?

### BEFORE ARRIVAL:

- While making an appointment at our Dream Smiles Dental clinic, we ensure that the patient has been symptom-free for 2-3 weeks.

### UPON ARRIVAL:

- We ask the patient to check-in by scanning the QR code of our service app.
- After that, our medical staff will welcome you & check the temperature. (For safety reasons, patients having high temperature will not be allowed to enter the premises)
- Patients will be asked to sanitize their hands from the hand sanitizer station.
- Patients will be asked to fill out a Covid-19 questionnaire.

WE'RE  
COVID  
SAFE

## RECOMMENDATIONS

- **Keep a safe distance from others.**
- **Wearing a face mask is mandatory.**
- **Keep a hand sanitizer handy.**
- **Avoid making an appointment if you have any cold/flu symptoms.**
